

Virtual Visit Day

FRIDAY, APRIL 17, 2020

10:00 A.M. - 1:00 P.M.

[KGI.ZOOM.US/J/677643886](https://kgi.zoom.us/j/677643886)

Join us for a virtual visit day to learn about programs in the Henry E. Riggs School of Applied Life Sciences and School of Pharmacy and Health Sciences! The agenda includes introductions to admissions staff, break-out sessions with the program directors and current students, and an alumni panel.

Programs that you will learn about include:

- Doctor of Pharmacy
- Master of Business and Science
- Master of Engineering in Biopharmaceutical Processing
- Master of Science in Applied Life Sciences
- Master of Science in Medical Device Engineering
- Master of Science in Translational Medicine
- Master of Science in Human Genetics and Genetic Counseling
- Master of Science in Human Genetics and Genomic Data Analytics
- Postbaccalaureate Premedical Certificate
- Postbaccalaureate Pre-PA Certificate

Visit kgi.edu/visit for more information and to register.
